International Conference of Statistics and Data Science (July 9-10, 2024)

The "2024 International Conference for Statistics and Data Science" will be co-hosted by the Department of Statistics at National Chengchi University, the Institute of Statistics at National Yang Ming Chiao Tung University, and the Taiwan Chapter of the International Chinese Statistical Association (ICSA). The organization committee would like to invite you to participate in the International Conference of Statistics and Data Science to be held on July 9-10, 2024, in National Chengchi University, Taipei, Taiwan.

Call for Nominations: Co- Editor of Statistics in Biosciences

The **International Chinese Statistical Association invites nominations** (ICSA) for the position of **co-editor** for the academic journal **Statistics in Biosciences** (SIBS). SIBS is published by **Springer Science + Business Media** for the ICSA.

It is published three times a year in print and electronic form (Statistics in Biosciences | Volumes and issues (springer.com)). It aims at development and application of statistical methods and their interface with other quantitative methods, such as computational and mathematical methods, in biological and life science, health science, and biopharmaceutical and biotechnological science. The editor reviews new submissions and sends selected papers to associate editors, who also review the papers and either send a response to the editor or the paper to referees for in-depth reviews. Springer's editorial tracking system is used for online submissions and the peer-review process. The editor also works with Springer's production editor to create each issue and to ensure timely production and publication.

Professor Hongkai Ji, one of co-editor of SIBS, ends his term in the end of this year. The next editor will be his successor and work with Professor Tony Sun, the other co-editor of SIBS. The next editor will serve a three-year term, from 2025 through 2027, with the transition beginning in 2025.

SIBS is committed to building diversity in leadership positions in our discipline, and as such all qualified applicants are encouraged to apply and will be given equal consideration irrespective of race, gender identity or expression, age, or nationality.

Nominations should be sent to Runze Li, the chair of SIBS Editor searching committee, via email rzli@psu.edu **by 21 June 2024**. Each nomination may include a nomination letter and the nominee's CV. Interested individuals are encouraged to nominate themselves.

Call for Volunteers: ICSA Events During JSM

Call for volunteers to help with ICSA activities during the 2024 JSM in Portland, Oregon. The volunteers will work with the JSM local committee at the ICSA booth, in the ICSA membership meeting/social events, and in the ICSA banquet. If you are interest, please contact the ICSA JSM Local Committee Chair Dr. Rochelle Fu (fur@ohsu.edu), the ICSA office manager Grace Li (office@icsa.org), or the ICSA executive director Dr. Jun Zhao (executive.director@ICSA.org). Fifth International Workshop on Statistical Analyses of Multi-Outcome Data (July 9 – 10, 2024)

The "Fifth International Workshop on Statistical Analyses of Multi-Outcome Data," also known as SAM 2024, will take place in Salzburg, Austria, on July 9-10, 2024. Salzburg, renowned as Mozart's birthplace and the picturesque setting for the film "The Sound of Music," is a spectacularly scenic city and an ideal destination for a summer visit. Our workshop covers a broad range of topics, such as complex longitudinal and survival data analysis, high-dimensional data analysis, precision medicine, and artificial intelligence/machine learning methods, among others. There will be 2 plenary sessions, 24 invited sessions, and contributed sessions. A banquet will be held on the evening of July 9. Please visit https://sam-workshop.github.io/SAM_2024/ for more details. If you have any question, please contact Dr. Lei Liu (lei.liu@wustl.edu).

Korean Statistical Association (KSA) Conference (July 4 – 6, 2024)
